

LEGACY MERIDIAN PARK MEDICAL CENTER IRENE STEPHENSON HIGH SCHOOL SCHOLARSHIP ENDOWMENT

The Irene Stephenson High School Scholarship Endowment was set up in 1981 to memorialize Ms. Stephenson, a long-time volunteer in the Legacy Meridian Park Medical Center's (the Center) Gift Shop. The endowment was established under the Meridian Park Foundation, the Hospital's philanthropic support organization. Funds to support this endowment are raised through general and memorial gifts and investment of the principal.

Scholarships in the amount of two-thousand dollars (\$2,000) each will be awarded by the Center's Volunteers to UP TO six graduating high school seniors attending a school in the Center's geographical service area: Canby, Lake Oswego, Lakeridge, Newberg, North Marion, Oregon City, Sherwood, Tualatin, Tigard, West Linn, Wilsonville or Woodburn. Applicants must have intentions to pursue a health care career. Preferences in scholarship awards will be given to students who have performed volunteer work for any hospital which is part of Legacy Health or for some other health care system.

Scholarship awards will be announced at the student's end-of-year high school awards program. In the event the school does not hold a formal awards program, the scholarship will be presented to the winning student(s) privately by a member of their school administration.
